We are so proud of all our swimmers and their families who support them. Together with our coaching staff, we have earned the 2025-26 USA Swimming Club Excellence BRONZE MEDAL! Announced last week, you can read more about the program and how we qualified if you're interested. What it means to us, as your swim family, is that we are all putting in the work and being rewarded.

### Ways to celebrate with your swimmers -

5-10yr olds might enjoy hearing our team won a medal for all your fast swims last year! Now we get to see how much you can keep learning and growing. Watching you swim is so fun for your teammates, coaches, and family!

11-14yr olds love to compete and they are starting to understand what it means to put in the extra work, even on the hard days. We might encourage them to show up and push themselves, for each other, because we all earned this award together.

15+ yr olds might forget how lucky we are to have this beautiful pool here in Austin, especially on cold mornings. Remind them that all the younger swimmers look up to them, and will follow their lead as we look to that Silver, Gold, and Podium Award next!

Keep up the great work everyone, and thanks for sharing your swimmers with us. We will see you on deck.

# Register/Renew USA Swimming Membership

If you haven't done so yet, please make sure to register or renew your swimmers' USA Swimming membership through your Swims account. We had asked this to be done by October 15th. Please see the information below and use the registration link below to register or renew.

**For new USA Swimming athletes:** Using the registration link below, you will need to set up an account on Swims 3.0, where you will register your swimmer for USA Swimming. Here is a [how-to document](#) that may be helpful for you.

**For swimmers transferring to ASC:** All you will need to do is click on the registration link below, and the transfer will happen automatically once you register.

**For returning ASC Swimmers:** ASC will not bulk renew USA Swimming membership this year so you will need to renew your registration using our registration link below.

# Volunteer Policy & Reminder

As we kick off the 2025/2026 season, we want to remind you of our Volunteer Policy we hold tight to at ASC. **Every family** is required to volunteer for 10 service hours within the 25/26 swim season. When you registered for the season, you signed off and verified in the required handbook document that you read and understood what is expected of each family. In July of 2026, if you have not completed the required commitment per family of 10 service hours, you will be charged at a rate of \$15 per hour not completed.

There are many opportunities throughout the season to serve. You can obtain all 10 hours in one swim meet especially if you volunteer more than one family member for one of the jobs such as Head Timer, Timer, or Hospitality. As well, there are other opportunities throughout the season.

Without volunteers, we can't host swim meets, and we need you! Look for reminders and opportunities this season and let's make this season the best yet for our amazing swimmers at ASC!

# REMINDERS

- **Drop-off Times** - Please do not drop off school age swimmers more than 15 minutes before their class begins.
- **Withdrawal Policy** -
  - If you need to pause your membership, please remember to submit your request through [this form](#) on the website. Billing occurs on the 1st of each month. ***In order to prevent billing your account on the 1st, we must have your request in the form no later than the 15th of the month prior to billing.***
  - We do not prorate based on when you stop swimming in the month.
  - We don't withdraw swimmers, who have requested withdrawal through the form, till the very last day of the paid month. This is to ensure that swimmers stay on the roster and have the entire paid month to swim. For example, if you submit your form before the 15th of June to withdraw your swimmer for the month of July, we will not withdraw them in our system till June 30th.

## OFFICIALS INCENTIVE FOR ASC FAMILIES

We know becoming a certified official is a commitment, and we wanted to create another way to incentivize and thank the parents that have made that commitment and continue to help us offer amazing swim meets at ASC! If you are interested in becoming an USA Swimming certified official, please reach out to [Coach Randy](#), and he will help you get the information to get the process started!

### Officials Incentive

- Incentive is decided on how many ASC Home Meet sessions worked in a season:  
Beginning September 1st – August 31st
- The discount will be applied for 12 months after the last meet you officiate between September 1st and August 31st.

### Tiers of Discount

- **Officiate 15 meet sessions:** 10% discount on total of monthly dues for account  
Discount will begin once 15 ASC Home meet sessions have been officiated
- **Officiate 24 meet sessions:** 15% discount on total of monthly dues for account  
Discount will begin once 24 ASC Home meet sessions have been officiated
- **Officiate 36 meet sessions:** 20% discount on total of monthly dues for account  
Discount will begin once 36 ASC Home meet sessions has been officiated
